## Trip Leaders:

Jono Bryant spent 15 years as a jungle guide after leaving college and has a huge amount of experience in tropical locations. This includes a 7-month stint in the Peruvian Amazon as a resident naturalist and working with Jack Osborne on the Adrenaline Junkie show. In 2008 he started a career in Wilderness Medicine and has taught PIC's WFR for 14 years. Other achievement includes starting SOLO Southeast and the medical charity MedicForce. A trained paramedic he loves to hike and chill with his dog Buster.

Anthony Geist is an accomplished outdoorsman with 8 years experience as a Wilderness Medic for BUSAR search and rescue. Ant is an Advanced Wilderness EMT with 5 years experience teaching for SOLO Southeast in NC. Currently living in Tasmania he works as a backcountry guide and Wilderness Medicine instructor. Ant is an accomplished rock climber and enthusiastic trail runner who loves to kayak.
